

Laser Institute for Research and Applications (LIRA)

## Lecture Schedule 2024/2025

1<sup>st</sup> Semester

Beni-Suef University

Diploma Name: **Laser Interaction with Matter**

| Day \ Time | 10 - 11                                     | 11 - 12                                     | 12 - 1                              | 1 - 2 | 2 - 3                                       | 3 - 4                                       | 4 - 5 | 5 - 6 |
|------------|---------------------------------------------|---------------------------------------------|-------------------------------------|-------|---------------------------------------------|---------------------------------------------|-------|-------|
| Thursday   | Laser Safety<br>(LSI502)<br>Hall C          | Laser lab.<br>(LSI505)<br>Group B<br>Lab. 1 |                                     |       | Computational Methods<br>(LSI504)<br>Hall C |                                             |       |       |
| Monday     | Diagnostic Techniques<br>(LSI503)<br>Hall A |                                             | Laser Physics<br>(LSI501)<br>Hall C |       |                                             | Laser lab.<br>(LSI505)<br>Group A<br>Lab. 1 |       |       |

Laser Institute for Research and Applications (LIRA)

## Lecture Schedule 2024/2025

1<sup>st</sup> Semester

Beni-Suef University

Diploma Name: **Biological Applications of Lasers**

| Day \ Time | 10 - 11                            | 11 - 12                                               | 12 - 1                              | 1 - 2 | 2 - 3 | 3 - 4                              | 4 - 5 | 5 - 6 |
|------------|------------------------------------|-------------------------------------------------------|-------------------------------------|-------|-------|------------------------------------|-------|-------|
| Thursday   | Laser Safety<br>(LSI502)<br>Hall C | Fundamentals of Tissue Optics I<br>(BML503)<br>Hall B |                                     |       |       | Cell Biology<br>(BLI501)<br>Hall B |       |       |
| Monday     | Photobiology<br>(MLI501)<br>Hall C |                                                       | Laser Physics<br>(LSI501)<br>Hall C |       |       |                                    |       |       |

Laser Institute for Research and Applications (LIRA)

## Lecture Schedule 2024/2025

1<sup>st</sup> Semester

Beni-Suef University

Diploma Name: **Oral and Dental Laser Applications**

| Day \ Time | 10 - 11                            | 11 - 12                                                          | 12 - 1                              | 1 - 2 | 2 - 3                                                | 3 - 4 | 4 - 5 | 5 - 6 |
|------------|------------------------------------|------------------------------------------------------------------|-------------------------------------|-------|------------------------------------------------------|-------|-------|-------|
| Thursday   | Laser Safety<br>(LSI502)<br>Hall C | General Medical Surgical Laser Applications<br>(ML502)<br>Hall A |                                     |       | Laser Application in Medicine I<br>(ML503)<br>Hall A |       |       |       |
| Monday     | Photobiology<br>(MLI501)<br>Hall C |                                                                  | Laser Physics<br>(LSI501)<br>Hall C |       |                                                      |       |       |       |

Laser Institute for Research and Applications (LIRA)

## Lecture Schedule 2024/2025

1<sup>st</sup> Semester

Beni-Suef University

Diploma Name: **Medical Laser Applications**

| Day \ Time | 10 - 11                            | 11 - 12                                                          | 12 - 1                              | 1 - 2 | 2 - 3                                                | 3 - 4 | 4 - 5 | 5 - 6 |
|------------|------------------------------------|------------------------------------------------------------------|-------------------------------------|-------|------------------------------------------------------|-------|-------|-------|
| Thursday   | Laser Safety<br>(LSI502)<br>Hall C | General Medical Surgical Laser Applications<br>(ML502)<br>Hall A |                                     |       | Laser Application in Medicine I<br>(ML503)<br>Hall A |       |       |       |
| Monday     | Photobiology<br>(MLI501)<br>Hall C |                                                                  | Laser Physics<br>(LSI501)<br>Hall C |       |                                                      |       |       |       |
