

C.V.

Prof.Dr. Hosny Hafez Ali Emeash
Professor and Chairman, Department of Hygiene,
Management and Zoonoses, Faculty of Veterinary Medicine,
Beni-Suef University

Nationality: Egyptian

Date and place of birth: 1/9/1959- Dakahlia- Egypt

Martial Status: Married

Address : University of Beni Suef, Faculty of Veterinary Medicine
Department of Hygiene, Management and Zoonoses

T .home : 0020237349535

Fax work : 0020822327982 & 0020233303482

Mobile : 01001113808

E-mail : hhemeash@yahoo.com

Scientific status:

- Bachelor of Veterinary Medicine, Alexandria University, 1982
- Master of Veterinary Medical Science, Cairo University, 1987
Title: Maternal behaviour of foreign rabbits with special reference to feeding.M.V.Sc.degree of Animal Behaviour and Management, Faculty of Veterinary Medicine, Cairo University, 1987
- PhD Veterinary Medicine, Cairo University, 1991
Title: Effect of some environmental factors on social behaviours among layers.Ph.D.of Animal Ethology and Management, Faculty of Veterinary Medicine, Cairo University, 1991.
- Diploma of Microbiology, Cairo University, 2000

Functional status:

- Demonstrator, or Teaching Assistant or Faculty of Veterinary Medicine Beni Suef, Cairo University, from 1984 to 1987.
- Assistant Lecturer, Department of Hygiene, Management and Zoonoses, Faculty of Veterinary Medicine Beni Suef, Cairo University from 1987 until 1991
- Lecturer, Department of Hygiene, Management and Zoonoses,

Faculty of Veterinary Medicine Beni Suef, Cairo University from 1991 to 1995

- Assistant Professor, Department of Hygiene, Management and Zoonoses since 1995 and an acting Head of the Department since 1998
- Professor and Chairman, Department of Hygiene, Management and Zoonoses, Faculty of Veterinary Medicine - Beni Suef, Cairo University since 2000 till now.
- Vice Manager of CIQAP project ,Faculty of Veterinary Medicine ,Beni-Suef University.

University Teaching Experience:

- Theoretical and practical teaching for students of Veterinary Medicine Undergraduate
- Teaching of experimental psychology, Faculty of Arts, Minia University
- Teaching for under and post-graduates students at faculties of Agriculture and Education, Minia University
- Theoretical and practical teaching for postgraduate students (Diploma - Master - Doctorate) and courses to help them at Faculty of Veterinary Medicine.
- Mandate colleges of Veterinary Medicine (Alexandria - Tanta - Banha) for the teaching of graduate students
- Teaching in Faculty of Veterinary Medicine at the University of Omar Al-Mukhtar Libyan Arab in the period from 1994 - 1996.
- E-learning of Animal Behaviour and Management in related to National E-learning Center, Ministry of Higher Education –Egypt.

Conferences , Scientific symposia and Training courses in abroad and inside the country:

- Attend the training course held in Germany in the period from November 29 to December 19, 1999 in the care of poultry and preventive measures in the draft white pathogen-free SPF
- Travel for a scientific mission to Germany in accordance with the Agreement on Cooperation between the Academy of Scientific Research German DFG and the University of Cairo in the period from 1/10/2002 until 1/12/2002 down and many lectures at the University of Giessen, Germany.
- Attend the Scientific Conference of the livestock and agricultural development in the tropics in Germany at the University of Kassel, Germany, in Witzen hausen from 27 to 30 October 2003.
- Attend Academic Conference Department, the animal care and behavior of the Faculty of Veterinary Medicine, University of Giessen, Germany, 20 to 21 November 2002.
- Visiting a scientific fair for the production of animal and poultry, held in Hanover, Germany, from 1 to 5 November 2002.

- Travel for a scientific mission for three months to the University of Giessen, Germany in the period from 15 - 1-2007 to 15 - 4 - 2007 from the General Administration of missions of the Ministry of Higher Education-Egypt.
- Traveling to the Kingdom of Saudi Arabia as a consultant in a company Hail Agricultural Development to contribute to the development in the area of poultry production

- Participation in the Third Scientific Conference of the Faculty of Veterinary Medicine, Cairo University in the period from 22 to 24 March 1994 with a research paper accepted for publication in the conference and delivered
- Participation in the Third Scientific Conference of the Egyptian Veterinary Association for poultry in the period from 7 to 9 December 1993 with a research paper accepted for publication in the conference and delivered
- Participation in the Fourth Scientific Conference of the Egyptian Veterinary Association for poultry in the period from 5 to 7 March 1996
- Participation in a seminar on "Food contamination of animal origin and its impact on human beings," Academy of Scientific Research and Technology conference room in March 12, 1997.
- Participation in the Third Scientific Conference of the Council of Research Animal Resources and Fisheries Academy of Scientific Research and Technology Center for International Egyptian agriculture in the period from 6 to 7 April 1997 under the title "The role of scientific research in the development of livestock and fisheries.
- Participation in the Conference of Cairo University for scientific and cultural relations in the Great Hall of the celebrations from 20 to 21 October 1997
- Participation in the Fourth Scientific Conference for Association Egyptian Livestock Diseases in the period from 7 to 9 December 1997, Assiut University, with a research paper accepted for publication and delivered at the conference.
- Participation in the Fifth Scientific Conference of the Egyptian Society of Poultry in the period from 3 to 5 March 1998 with a research paper accepted for publication and delivered at the conference and also participate in the preparation and the presence of activities of the conference
- Participation in the Eighth International Conference of the Egyptian Society of Animal Science German in the period from 29 to 31 March 1998 with a research paper accepted for publication and delivered at the conference.
- Participation in the First Conference Veterinary Medical for Giza Governorate in September 28, 1998
- Participation in the Fifth Scientific Conference of the Faculty of Veterinary Medicine, University of Cairo in October 1998

- Participation in the Eighth Scientific Conference of the Faculty of Veterinary Medicine, Assiut University in the period from 15 to 17 November 1998 with a research paper accepted for publication and delivered at the conference.
- Subscribe to attend the Conference of Cairo University for the development of education in Undergraduate "A Vision for the Future University" in the period from 22 to 24 May 1999.
- Participate in preparing and attend "conference biological for the twenty-first century in the period from 23 to 26 May 1999 and the Research Centre for Future Studies, Cairo University.
- Subscribe to attend a workshop on "combat stray animals civilized methods" of the Conference Centre at the University of Cairo, June 19, 1999 with the participation of the General Authority for Veterinary Services, the World Society for the Protection of Animals in England WSPA.
- Participating in the preparation and attend the First congress of the Faculty of Veterinary Medicine, Beni Suef, Cairo University in the period from 28 September to October 1999 with a research paper accepted for publication in the conference and delivered
- Participation in the Second Conference Veterinary Medical Giza Governorate under the title "The Economics of Animal Diseases" in the November 15, 1999.
- Participate in the festivities, Cairo University, the scientific Calendar of the New Millennium in the period from 15 to 18 January 2000 and the Research Centre for Future Studies, Cairo University.
- Attend the Scientific Conference of the World Poultry, held in Cairo from 25 to 28 February 2002.
- Attend the Scientific Conference of Fertility and Reproduction, held at the University of South Valley in the period from January 26 to 30, 2003
- Participate in the workshop of quality Assurance and Accreditation in the period from 26 to 30 November 2005 of the Union of Universities Arabic - Arab Council for Graduate Studies and Scientific Research Training Sector
- Attending the Fifth Scientific Conference, Faculty of Veterinary Medicine, University of Beni Suef, from 6 to 9 November 2007.
- Attend the Fourth International Conference of the Egyptian Society of environmental toxins in the period from 11 to 14 November 2008 Safaga.
- Attend the Scientific Conference, Faculty of Veterinary Medicine, Alexandria University, in March 2009.
- Participate in the XII Scientific Conference of the Egyptian Society of technologies of education in Ain Shams University in the

period from 28 to 29 October 2009.

- Participate in the project committee to develop the Quality of Education, Faculty of Veterinary Medicine University of Beni Suef.

Work associated with servicing the educational process and research, construction and equipment: -

- Contribute to the establishment and equipping Department of Hygiene, Management and Zoonoses in the laboratory and graduate students to the scientific equipment.
- Contribute to the creation and processing of the college's library periodicals and scientific references in various fields, particularly in the area of specialization.
- Contribute to the design and construction of farm animals and management.
- Contribute to the processing and design of farm animals, dairy and beef altogether.
- Member of the Committee of scientific equipment and laboratory and which college you update the hardware sections.

Business-related community service and development environment and convoys therapeutic and national projects: -

- Participate as a constant in all therapeutic convoys organized by the college in the areas of community service and development environment in Beni Suef, Fayoum and Minia.
- Participating in the lectures the theory and practice in the care of animals and poultry and for the veterinarians and agricultural engineers working in the field of agricultural extension.
- Participating in the theoretical lectures and practical masters all stakeholders in the field of livestock and poultry and fish in Beni Suef of the IFAD project, which is sponsored by the Ministry of Agriculture.
- Member of the Committee on Environment
- The Ministry of Agriculture commissioned to work as assistant director of the National Project for the production of eggs from pathogen-free SPF with the consent of Mr. Professor, Deputy Prime Minister and Minister of Agriculture and Land Reclamation

Supervision of the Theses and activities:

- Supervision of many Masters and Doctoral students at Faculty of Veterinary Medicine.
- Member of the Jury to upgrade faculty and junior faculty in the sector of the Committee of Veterinary Medicine and Animal Hygiene and Food Control of the Supreme Council of Universities Egypt.

.Member of Consultant and Supervision in Integrated Information Systems and Decision Support at Supreme Council of Universities Egypt. www.scu.eun.eg.

Scientific Societies:

- Pioneer Scientific Society of manners.
- Pioneer family Message, Faculty of Veterinary Medicine University of Beni Suef.
- Board member of the Egyptian Veterinary Poultry over three times.
- Member of the Egyptian Society for cattle diseases.
- Member of the Egyptian Veterinary Medical Association.
- Member of the Egyptian Society of beauty.
- Member of the Egyptian Society for young doctors.
- Chancellor of the University of Cairo in the period 1991 - 1994 to student activities - and Chairman of the delegation in Cairo University and Helwan camps Alexandria and Marsa Matrouh.
- General Secretary of the cooperative building and housing for members of the faculty at Cairo University from 2001 to 2006
- Chairman of the Board of Directors of the cooperative building and housing for members of the faculty at Cairo University since 2006 to date.

Prof.Dr. Hosny Hafez Ali Emeash

List of Publications

Emeash,H.H.(1987):

Maternal behaviour of foreign rabbits with special reference to feeding. M.V.Sc.degree of Animal Behaviour and Management, Faculty of Veterinary Medicine, Cairo University, 1987.

Emeash,H.H.(1991):

Effect of some environmental factors on social behaviours among layers. Ph.D.of Animal Ethology and Management, Faculty of Veterinary Medicine, Cairo University, 1991.

Emeash, H.H., O.K. Zahran and A.M. Abdel-karim (1993):

Influence of anticoccidial drugs on feeding behaviour and feed efficiency of broilers. Beni-Suef, Vet. Med. Res. Vol. III No. 2, 298-307, (1993).

Emeash,H.H.(1993):

The influence of repeated handling on the maternal behaviour and pup's performance of White New Zealand rabbits. Beni-Suef, Vet. Med. Res. Vol. III No. 2, 308-316, (1993).

E.M. Abdel-Gwad; Mervat, M.Kamal; Zamzam, H.Abdel-Wahed, M.M.Ali and **Emeash,H.H. (1993):**

Studies on the effect of litter type on some behaviour patterns and performance in broilers. The New Egyptian Journal of Medicine, Vol. 8, No, 1st June 1993.

Emeash,H.H. and E.M.Badwy (1993):

The effect of nest box design on the percentage of floor eggs in broiler breeder flocks. Prc.3rd Sci. Conf., Egypt. Vet. Poultry. Assoc. (1993): 111-116.

Emeash, H.H.;R.H. Fayed and G.S. Essawy (1994):

The effect of iodine-treated water on the performance and some behavioural patterns of meat-strain chicks. Vet. Medicine. J. Giza, Vol. 42 No. 1 (1994): 139-143. Proceedings of the 3rd Scientific Congress of the Faculty of Vet. Med. Cairo University, March, 1994.

Karousa, M.M., **Emeash,H.H.** and M.E.M. Zowail (1994):

Effect of estrogen hormones on taste aversion conditioning and exploratory behaviour in Guinea pigs. Alex. J. of Vet. Sci. Vol. 10, No.2 (1994).

Emeash, H.H. and Karousa, M.M. (1994):

The influence of some management programmes on maternal anomalies and pup's performance in white New Zealand rabbits. 1st International conference on rabbit production in hot climates, Vol. 8, Cahiers Options mediteraneennes ISSN 425-429.

Emeash, H.H. and Elham, S.Elsaid (1995):

The effect of feed restriction and management on behaviour and performance in female rats.

Vet. Med. J. Giza, Vol. 43, No. 2(1995).

Emeash, H.H.; M.M.Ali and M.A.El-Bably (1997):

Effect of some pollutants as stressors on some behavioural patterns and performance of broiler chickens.

Vet. Med. J. Giza, Vol. 45, No. 3, 307-314 (1997).

El-Bably, M.M. and **Emeash,H.H. (1997):**

Managemental and environmental factors associated with calf diarrhea in dairy farms with special reference to immune response in neonatal calves. 4th Sci. Cong., Egyptian Society for cattle Diseases, 7-9 Dec. 1997, Assiut, Egypt, 261-267.

Emeash, H.H. and M.Z.Attia (1998):

Performance and behavioural characters of layers as influenced by forced moult.Proc. 5th . Conf. Egypt. Vet .Poultry. Assoc.: 217-233,(1998).

E.S.Saleh; **H.H. Emeash** and H.I. Fahim (1998):

The influence of time-factor in animal protein nutrition on growth performance, spatial learning and some physiological parameters in weaning rats.

J. Egypt. Ger. Soc. Zool., Vol. 26(A) Comparative physiology, 8th Int. Conf. 29-31 March (1998) 213-228.

Emeash, H.H. and M.M. Ali (1998):

Effect of rearing system and calves separation on their behavioural patterns, morbidity and mortality rats.

Beni-Suef, Vet.: Med: Med.Res. Vol. VIII, No.2, July (1998) 365-388.

Emeash, H.H. (1999):

Temperament and breeds of rabbit and its effect on litter size performance and maternal behaviour. First Sci. Cong., Fac. Vet. Med. Beni-Suef, Cairo University. Egypt. Beni-Suef Vet. Med. J. Vol. 9, No.3 A (1999) 63-75.

Emeash,H.H., M.A.El-Bably and A.S.Moustafa (1999):
Studies on some behavioural patterns, performance and immune status in dairy calves under field conditions. Vet. Med. J. Vol. 47, No.4, 549-560, (1999).

Emeash,H.H. (2000):
Effect of group size and sex on performance and behavioural patterns of meat rabbits raised under commercial conditions.
J. Egypt. Vet. Med. Ass. 60. No.1: 61-70, (2000).

Ibrahim, M.A.; **Emeash, H.H.;** Nahed H.Gohneim and Gihan, K. Abdel-Latef. (2003):
Epidemiological studies on Toxoplasmosis in animals and humans in Beni-Suef Vet. Med. J., Vol XIII. No.1 Oct., 2003, 251-260.

M.A.El-Bably; **Emeash, H.H.;** A.M.Abdel-Rahman and A.S. Mustafa(2004):
Effect of climatic and management factors on milk production and performance of dairy cow. 11 st., Sci., Cong., 2004, Fac. Vet. Med., Assuit Univ., Egypt., 462-471.

Emeash,H.H.;Mostafa,A.S. and Naglaa M.Abdel-Azem (2008):Assessment of stress in relation to sheep shearing by using behavioural and physiological measurements.Beni-Suef Veterinary Medical Journal,Vol.18,No.2,15-18

Emeash,H.H.; El-Bably, M.A.;Mostafa,A.S. and Naglaa,M.Abdel-Azem(2008):Effect of castration and docking of lambs on maintenance behaviour and cortisol level.Beni-Suef Veterinary Medical Journal,Vol.18,No.2,10-14

Emeash,H.H.;Elbably,M.A.and Fatama,H.Said(2009):Effect of acute stress on the behaviour and cortisol level of virgin and parturient female rats.Alex.J.Vet.Med.Vol.28 No.1 March 2009.

Emeash,H.H.,El-Bably,M.A.and Asmaa,N.Mohammed(2010): Effect of seasonal variations on performance and parasitic infestation of cultured fish in Fayoum governorate. Beni-Suef Veterinary Medical Journal,Vol.30,No.1April 2010. 6 th Scientific Conference 24-27 April 2010, Faculty of Vet.Medicine,Beni-Suef University.

El-Bably,M.A.,**Emeash,H.H.**,Asmaa,N.Mohammed and Nahla,R.(2010): Influence of water quality on fish productivity. Beni-Suef Veterinary Medical Journal,Vol.30,No.1April 2010. 6 th Scientific Conference 24-27 April 2010, Faculty of Vet.Medicine,Beni-Suef University.

Emeash,H.H. and Mostafa,A.S.(2010):Prolificacy in Saidi and Ossimi ewes and its relation to their parity,age,body condition score and body weight.4 th Scientific Conference 25-28 October 2010,Egyptian Society. of Animal Management.Ras Sudr-Cairo.

Hosny H. Emeash, Naglaa, M. Abdel- Azeem, Safaa N. Abdel-Azeem (2015): Effect of ewe's plan of nutrition on lamb Performance and colostral (IgG) concentration. 7th Scientific Congr. of Egypt. Soc. For Anim. Manag. 26-30 Augst,2015: 54-65.

Naglaa M. Abdel-Azeem and **H.H. Emeash** (2016): Hyline-White Behaviour, Laying Performance and Egg Quality in Two Conventional Caging Systems with Different Densities. Asian J.Anim.Vet.Adv., 11:137-143.

Rasha R.I.; Naglaa M. Abdel-Azeem ; **H.H. Emeash** (2017): Effect of stocking density in broiler housing on air quality and feed intake. 9th Scientific Congr. of Egypt. Soc. For Anim. Manag. 12-16 Sept.,2017: 32-48

Asmaa K.M.; Naglaa M. Abdel-Azeem; Mostafa, A.S. and **Emeash,H.H.** (2017): Maternal separation versus maternal non separation in enriched and non- enriched environments for raising laboratory rats. 9th Scientific Congr. of Egypt. Soc. For Anim. Manag. 12-16 Sept.,2017: 16-77

Rasha R.Ibrahim; Naglaa M. Abdel-Azeem ; A.S.,Mostafa and **H.H. Emeash** (2017): Studies on some Welfare Aspects of Broilers Reared Under Different Stocking Densities. Journal of Applied Veterinary Sciences, 2(1): 23-34
