

**Beni-Suef University**

**Faculty of Veterinary Medicine**

**Department of Pathology**

## **Curriculum Vitae**

**Name:** El-Shaymaa Nabil Ahmed Amin El-Nahass.

**Gender:** Female.

**Date of birth:** 25/1/1981.

**Site of birth:** Kuwait.

**Nationality:** Egyptian.

**Telephone (s)** +202 / 082 / 2338133.

+202 / 082 / 2326021.

+202 / 082 / 2322066.

**Cell phone:** 01100103011.

**Fax:** +202 / 082 / 2327982.

**Address:** 58 Ebn El-Rashid Street Mokbel El-Gaded – Beni-Suef

Governorate – Arab Republic of Egypt.

**E-mail:** [Shima\\_k81@yahoo.com](mailto:Shima_k81@yahoo.com)

**Occupation:** Assistant lecturer – Pathology department – Faculty of

Veterinary Medicine – Beni-Suef University.

### **Educational information:**

\* Obtained the B.V.Sc degree in May 2002 with final grade very good (77.5%).

\* Obtained the M.V.Sc degree in January 2006.

\* Obtained the Ph.D degree in September 2013

\* List of publications:

Egyp. Vet. Med. Soc. parasitol., J. 3 (1):665-676. 3

**\* Computer skills:**

\* Obtained ICDL (international computer driving license).

\* Obtained ICT (part I): Certificate from Supreme council of universities –Ministry of Higher Education- Egypt.

\* Obtained ICT (part II): Certificate from Supreme council of universities –Ministry of Higher Education- Egypt.

**\* Language skills:****TOEFL iBT**

Section	Reading	Listening	Speaking	Writing	Total
	12	13	18	25	68

**\* Scientific Workshops and meetings (2010–2018):**

- 1- Participating in the first workshop of the Union of Students of the Veterinary School at the University of Gifu with Seoul University of Korea held in Tokyo in February 2011
- 2 - Participation in the discussion at the second workshop of the Union of Students of the Veterinary School at the University of Gifu with Seoul University of Korea held in Seoul in February 2012
- 3 - Participation in the Poster at the International Conference No. 152 of the Japanese Society for Veterinary Science, which was held at the University of Tokyo, the Japanese capital Tokyo during the period from 28 to 30 March 2013
4. Participating in the first international symposium of cooperation between Egyptian universities and the Japanese Gifu University, held on June 15, 2013
- 5 - Participation and attendance at the activities of the International Conference No. 152 of the Japanese Society for Veterinary Science, held at the University of Tokyo, the Japanese capital Tokyo
- 6- Participation and attendance at the activities of the 155th International Conference of the Japanese Society for Veterinary Science, held at the University of Tokyo, Tokyo, Japan, from 28-30 March 2013.
- 7 - Participation and attendance at the activities of the Second International Scientific Conference of Veterinary Medicine of the Pacific States in Asia, which was held in Bangkok, Thailand, from 1-3 October 2014.

**\* Seminars and scientific meetings:**

Participation in all seminars organized by the Environment Committee in the Faculty from 2013 to 2018 in addition to attending all the seminars of the project of quality and development of education, which was held at the college during this period.

**\* Contribute to give lectures outside the college:**

Participate in teaching the practical and theoretical part of the general pathology of postgraduate students in the Faculty of Science and students and the Faculty of Nursing at Beni-Suef University science 2016 until now.

**\* Attendance and participation in conferences and symposia:**

- 1 - Participation and attendance at the activities of the Fifth Scientific Conference of the Faculty of Veterinary Medicine, Beni-Suef University, from 6 to 9 November 2007.
- 2 - Participation and attendance in the activities of the fourth scientific conference of the Faculty of Veterinary Medicine Sadat - University of Menoufia, from 26 to 27 April 2006.

3 - Participation and attendance in the activities of the eighth scientific conference of the Faculty of Veterinary Medicine Zagazig University in the period from 31 August to 2 September 2006.

4 - Participation and attendance at the activities of the second scientific conference of the Egyptian Association of Environmental Poisons in collaboration with the Faculty of Veterinary Medicine, Beni-Suef University, from 18 to 20 April 2006.

5 - Participation and attendance at the activities of the Fourth Scientific Conference of the Egyptian Association of Environmental toxins in cooperation with the Faculty of Veterinary Medicine, Beni Suef University, from 11-14 November 2008.

6 - Participation and attendance at the activities of the Second Scientific Conference organized by the Egyptian Society for the diseases of cattle in Assiut in cooperation with the Faculty of Veterinary Medicine Assiut University in the period from 11 to 13 December 2005.

7- Participating in the course of modern means of microscopic examination and diagnosis in the Faculty of Veterinary Medicine – Beni-Suef University during the period 7-9 May 2006.

8- Participation in the course of modern methods of microscopy and diagnosis in the Faculty of Veterinary Medicine – Beni-Suef University during the period from 7-10 May 2007.

9 - Participation and attendance at the activities of the annual social day at the University of Gifu Japanese on 24 April 2010

10-Participation and attendance at the 152th Meeting of the Japan Veterinary Society in Osaka, held from 19 to 22 September 2011.

11 - Participation and attendance at the activities of the annual social day at the University of Gifu Japanese on June 4, 2011.

12 - Participation and attendance at the 153rd Congress of the Japan Veterinary Society in cooperation with the General Authority for Infectious Diseases, which was held from March 27 to 29, 2012.

13. Participation and attendance at the 154th Congress of the Veterinary Society of Japan.

14 - Participation and attendance at the activities of the 155th International Conference of the Japanese Society for Veterinary Science, held at the University of Tokyo, Tokyo, Japan, from 28-30 March 2013.

15 - Participation and attendance at the activities of the annual social day at the University of Gifu Japanese on 19 May 2012.

16 - Participation and attendance at the activities of the annual social day at the University of Gifu Japanese on 18 May 2013.

17 - Participation and attendance at the activities of the 155th International Congress of the Japanese Society for Veterinary Science, held at the University of Tokyo, Tokyo, Japan, from 28-30 March 2013.

18 - Organizing the first international symposium of cooperation between the Egyptian universities and the Japanese University of Gifu, which was held on June 15, 2013.

19 - Participation and attendance in the activities of the first scientific conference of the Department of Health, Care and Joint Diseases entitled Department of Health,

Care and Diseases shared between reality and hoped, which was held at the Faculty of Veterinary Medicine, Beni-Suef University on Tuesday, 8 April 2014.

20 - Participation and attendance at the events of the Conference of the University of Beni-Suef entitled "centers of research excellence: standards, tasks and social return" on 17 June 2014.

21. Participation and attendance at the symposium of the Sector of Graduate Studies and Research entitled Mechanisms to Encourage International Publishing, held at the University of Beni-Suef on Tuesday, 5 August 2014.

22 - Participation and attendance at the activities of the Second International Scientific Conference of Veterinary Medicine of the Pacific States in Asia, held in Bangkok, Thailand, from 1-3 October 2014.

23- Participation and attendance in the activities of the seminar of the graduate studies and research sector under the international and local conventions at Beni-Suef University and ways of activating it held at Beni-Suef University on Sunday 26 October 2014.

24- Participation and attendance at the workshop held by the Graduate Studies and Research Sector in collaboration with the Digital Library Unit at the Higher Council of Universities, held at Beni-Suef University during the period 14-15 December 2014 under the title " Global ".

25 - Participation and attendance at the symposium held by the Office of International Cooperation and Foreign Relations to introduce the American Fulbright Commission, which was held at the Faculty of Arts on March 24, 2015.

26- Participation in the course of modern methods of microscopy and diagnosis at the Faculty of Veterinary Medicine - University of Beni-Suef during the period from 7-9 May 2015.

27 - Participation and attendance in the training course provided by DAAD German Center for the development of human resources at the Faculty of Commerce Beni-Suef University entitled Self management on Sunday, April 5, 2015.

28- Participation and attendance at the symposium of the Graduate Studies and Research Sector, Beni-Suef University, entitled "The role of the Faculty of Medicine in raising the International Classification of the University" held at the Faculty of Medicine, Beni-Suef University on Sunday, 10 May 2015.

29- Participation and attendance at the symposium of the Graduate Studies and Research Sector at Beni-Suef University entitled "Programs and Grants of the German Commission for Scientific Exchange" held at the Faculty of Arts, Beni Suef University on Tuesday, May 26,

30- Participation and attendance at the symposium of the Graduate Studies and Research Sector, Beni-Suef University, entitled "Scientific Awards: Types and Methods of Obtaining them" on Sunday, 9 August 2015.

31. Participation and attendance at the symposium of the Sector of Graduate Studies and Research, Beni-Suef University entitled "Towards a Strategy for Effective Management of University Students" held at the Faculty of Veterinary Medicine on Tuesday, 18 August 2015.

32 - Participation and attendance at the symposium of the Sector of Graduate Studies and Research, Beni-Suef University entitled "The Path of Scholars for International Scholarships" on Sunday, 23 August 2015.

33- Participation and attendance at the Symposium of the Graduate Studies and Research Sector, Beni-Suef University, entitled "European Programmers Day for Higher Education Erasmus" held at the Faculty of Arts, on Tuesday, 1st September 2015.

34- Participation and attendance at the symposium of the Graduate Studies and Research Sector at Beni-Suef University entitled "Research and Scientific Cooperation between the Korean Cultural Center and Beni-Suef University" held at the Faculty of Science on Tuesday, September 8, 2015.

35- Participation and attendance at the symposium of the Graduate Studies and Research Sector, Beni-Suef University, entitled "The arrangement of Beni-Suef University according to the international classification systems of universities", which was held at the Faculty of Science on October 11, 2015.
