

CURRICULUM VITAE

Personal details

Name: Ghada Mohamed Safwat
Nationality Egyptian. **Address:** Beni-Suef, Egypt
Gender: Female **D.O.B** 22-2-1975
Marital status Married with two kids
Email ghada.mohamed1@vet.bsu.edu.eg
ghsafwat@yahoo.com

Educational background

Date	Qualification	Institution
September (1997)	B. V. Sc., (Bachelor degree in Veterinary Medicine) very good	Faculty of Veterinary Medicine Cairo Univ. Beni-Suef Branch, Egypt
26/3/2003	M. V. Sc. (Master Degree in Veterinary Science) Biochemistry and Chemistry of Nutrition	Faculty of Veterinary Medicine Cairo Univ. Beni-Suef Branch Beni-Suef, Egypt
11/3/2009	Ph. D. (Philosophy Degree in Veterinary Science) Biochemistry and Chemistry of Nutrition	Faculty of Veterinary Medicine Beni-Suef Univ., Beni-Suef, Egypt

Career History

Date	Job	Institution
2015till now	Associate professor of biochemistry	Biochemistry and Chemistry of Nutrition Department, Faculty of Veterinary Medicine Beni-Suef, Egypt
2009	Lecturer of Biochemistry and Chemistry of Nutrition	Biochemistry and Chemistry of Nutrition Department, Faculty of Veterinary Medicine Beni-Suef, Egypt
27/4/2003	Assistant lecturer of Biochemistry and Chemistry of Nutrition	Biochemistry and Chemistry of Nutrition Department, Faculty of Veterinary Medicine Beni-Suef, Egypt
26/8/1998	Demonstrator of Biochemistry and Chemistry of Nutrition	Biochemistry and Chemistry of Nutrition Department, Faculty of Veterinary Medicine Beni-Suef, Egypt

Responsibility:

- i) Learning and researching
- ii) Teaching Biochemistry and Chemistry of Nutrition to undergraduates and postgraduates.
- iii) Teaching Biochemistry to undergraduate students in Health Institute, Beni-Suef (2009-2011).
- iv) Teaching Clinical Biochemistry to 4th year students and students of Clinical Pharmacy program (Chemistry3), Faculty of Pharmacy, Beni-Suef University, Beni-Suef Egypt, (2012/2013)

Activities

Date	Activity	
2000	Conference attended	Physiology Conference
2001	Conference attended	The 2 nd Scientific Conference of Faculty of Veterinary Medicine, Beni-Suef, Cairo University
2002	Conference attended	Physiology Conference
2003	Conference attended	The 3 rd Scientific Conference of Faculty of Veterinary Medicine, Beni-Suef, Cairo University
2004	Conference attended	Physiology Conference
2005	Professional Membership	The 4 th Scientific Conference of Faculty of Veterinary Medicine, Beni-Suef, Cairo University
1998 till now	Laboratory activity	Urine and blood biochemical analysis.
2007	Training course	Laboratory Animal management By Biology Services Unit for Lab Animals ISS, Rome, Italy
2009	Conference	5 th International Conference of The Egyptian Society of Environmental Toxicology "Towards Safe Food in Eygept"
2009	Training course	By Histopathology Unit, Fac. Vet. Med. - BSU, (Method in Pathobiology) Morphological image analysis, PCR, Tissue Microarray and Comet Assay, Semi-quantitative measurement for biomarker, Histochemistry and Micro-dissection
2011	Conference	2 nd Scientific Conference of Environment " Environmental Pollution and Its Effect on Human and Animal Health" Ras-Sidr, Egypt
2012	Training course	Fac. Vet. Med., BSU in Collaboration With The Egyptian Society of Environmental Toxicology "Environmental Pollutants Detection Using Atomic Absorption"
2013	Conference	7 th Scientific Conference of Fac. Vet. Med. BSU, Moevenpick Hotel, Ain El-Sokhna
2014	Conference	Centers of Excellence, BSU

Participate in reviewing scientific papers in some International Journals:

- Food & Chemical toxicology
- Journal of Diabetes and its Complications
- Investigation of Biochemistry

Membership in Scientific Societies:

- The Egyptian Society for Biochemistry and Molecular Biology
- Society of Physiological Sciences and their Applications
- The Egyptian Society of Environmental Toxicology
