

## Curriculum Vitae

**Name:** Yomna Safwat mohamed Abdallah ali mo'men  
**Position:** Demonstrator of Biochemistry.  
**Nationality:** Egyptian.  
**Date of Birth:** November 3, 1993.  
**Address:** Mustafa Hasan Street, El-fayoum, Egypt.  
**Mobile:** +2 010 6133 4816.  
**E-mail:** yomna.safwat@pharm.bsu.edu.eg

### **Degrees:**

- 1) B.Sc. of Pharmaceutical sciences (**Excellent with honor degree**), Beni-Suef University, 2014.
- 2) M.Sc. Biochemistry, Beni-Suef University, 2019.

### **Fields of research and routine work:**

Research in hepatocellular carcinoma.

### **Thesis:**

A Biochemical Study on the Possible Protective Effect of Tiopronin and Hesperidin on a Chemically Induced Liver Carcinoma in Rats. Thesis for M.Sc. degree, Faculty of Pharmacy, Beni-Suef University.

### **Computer skills:**

ICDL equivalent certificate, Beni-Suef University, Egypt, 2016.

### **Publication:**

- 1- Yomna S. Mo'men, Rasha M. Hussein, Mohamed A. Kandeil. Involvement of PI3K/Akt pathway in the protective effect of hesperidin against a chemically induced Liver cancer in rats. Journal of Biochemical and Molecular Toxicology 33(6), 19 February 2019
