

Maimana Ahmed Magdy Abdelaziz
Assistant Lecturer of Pharmaceutical Analytical Chemistry

Personal information

Name: Maimana Ahmed Magdy Abdelaziz

Nationality: Egyptian

Birth date: 19/5/1985.

Gender: Female.

Address: Beni-suef, Egypt

Email: maimanamagdy@yahoo.com

Mobile: 002 01006773868

Education and Professional Qualifications

University Degree : Bachelor in pharmaceutical sciences.

University : Beni-Suef University.

Grade : Excellent with honor.

Graduation Year : 2007.

After Graduation studies: * Premaster study in analytical chemistry.

* Presentation Skills course.

Scientific Publication :

1) drug invention today 5 (2013) 139e147 " Stability indicating spectrophotometric methods for determination of bumadizone in the presence of its alkaline degradation product"

2) Biomed. Chromatogr. 2012; 26: 1143–1149 " Simultaneous HPTLC and RP-HPLC methods for determination of bumadizone in the presence of its alkaline-induced degradation product

3) J.Chem.Soc.Pak., Vol. 36, No. 6, 2014 "Novel Spectrophotometric Methods for Determination of Salicylamide and Ascorbic acid in their binary mixture.

4) Pharm Anal Acta Volume 2 • Issue 9 • 1000140 "Simultaneous Determination of Paracetamol and Diphenhydramine Hydrochloride in Presence of Paracetamol Degradation Product.

5) Spectrochimica Acta Part A: Molecular and Biomolecular Spectroscopy 132 (2014) 655–662 "Kinetic study and mechanism of Niclosamide degradation

Maimana Ahmed Magdy Abdelaziz

Assistant Lecturer of Pharmaceutical Analytical Chemistry

Training & Work Experience

Training Experience :4 years training & working in 2 community pharmacies.

Work Experience : **experience as:**

- *Demonstrator of Pharmaceutical Analytical Chemistry (Preparing labs, Chemical testing and preparing practical exam) in Faculty of Pharmacy, Beni-Suef University.
- *Assistant lecturer of Pharmaceutical Analytical Chemistry (Preparing labs, Chemical testing and preparing practical exam) in Faculty of Pharmacy, Beni-Suef University.
- *Researcher as Analytical Chemist for analysis & Q.C for pure drugs and Pharmaceutical Formulations.

Skills

Computer skills

- WINDOWS 8
- MS. OFFICE (WORD, EXCEL&POWERPOINT)

Language skills

- Arabic : Mother Tongue. English: Good command.

Interests

- Reading & Internet.
- Help others.
- Human Development science.
