

Curriculum Vitae of Dr/Ahmed M. Gouda Said

Personal Data

Name: Ahmed Mahmoud Gouda Said

Nationality: Egyptian.

Birth day: December 13, 1978

Marital state: Married (3 children)

Military services: finished (good example)

Telephone: +20118911496 ■ +966530484392

Address (current): Azizya Ganobia, Mekka, KAS

E-mail: amsaid@uqu.edu.sa / ahmed5_pharm5@yahoo.com

Current Mailing Address: Pharmaceutical Chemistry Department, Collage of Pharmacy, Umm Al-Qura University, KSA.

Current Appointment: Assistant prof. of Medicinal Chemistry, Collage of Pharmacy, Umm Al-Qura University, KSA.

Education:

- B.Sc. Pharmacy and Pharmaceutical Sciences, Cairo University, Beni-Suef Branch (*excellent honor*) June 2000.
- M.Sc. Pharmaceutical Sciences (Pharmaceutical Chemistry), Faculty of Pharmacy, Cairo University, December 2006, entitled: "*Synthesis of Some Fused Pyrrolizine Derivatives of Anticipated Biological Activity*".
- Ph.D. Pharmaceutical Sciences (Pharmaceutical Chemistry), Faculty of Pharmacy, Beni-Suef University, Jul 2009, entitled: "*Synthesis of some novel azaheterocyclic derivatives of diverse biological activities*".

Professional Appointments:

- Demonstrator in Pharmaceutical Chemistry Department, Cairo University, Beni-Suef Branch, 2001-2006.
- Assistant Lecturer of Pharmaceutical Chemistry, Faculty of Pharmacy, Beni-Suef University, 2006-2009.
- Lecturer of Pharmaceutical Chemistry, Faculty of Pharmacy, Beni-Suef University, 2009-2011.
- Lecturer of Pharmaceutical Chemistry, Faculty of Pharmacy, Nahda University, 2009- 2011.

- Assistant prof. of medicinal Chemistry, Collage of Pharmacy, Umm Al-Qura University, 2011- till now.

SCIENTIFIC ACTIVITIES:

A- Teaching & Supervision Activities

B.Pharm Courses:

1. Teaching and supervising the practical courses of pharmaceutical Chemistry for the undergraduate students (B.Pharm. fourth & fifth year) in Faculty of Pharmacy, Beni-Suef University 2001-2006.
2. Teaching and supervising the practical courses of medicinal Chemistry for the undergraduate students (B.Pharm. medicinal. Chemistry 1,2 & 3) in Faculty of Pharmacy, Nahda University 2009-2011.
3. Teaching the theoretical course (Medicinal Chemistry -1, 2 & 3) for the undergraduate students (B.Pharm. fourth & fifth year) in Faculty of Pharmacy, Beni-Suef University 2009-2011.
4. Teaching the theoretical course (B.Pharm. Medicinal Chemistry I, II & III) for the undergraduate students in Faculty of Pharmacy, Nahda University 2009-2011.
5. Participation in the practical and theoretical Notes of Medicinal Chemistry to the undergraduate students of the fourth and fifth year in Faculty of Pharmacy, Beni-Suef University 2009-2011.
6. Participation in the practical courses (B.Pharm. medicinal chemistry III & IV) for the undergraduate students in Faculty of Pharmacy, Umm Al-Qura University 2011-2012
7. Teaching the theoretical courses (B.Pharm. medicinal chemistry III & IV for the undergraduate students in Faculty of Pharmacy, Umm Al-Qura University 2011-2012

Clinical/Pharm.D Courses:

1. Teaching and supervising the practical courses of medicinal Chemistry for the undergraduate students (clinical pharmacy, 5th and 6th level) in Faculty of Pharmacy, Beni-Suef University 2009-2011.

2. Participation in the practical and **theoretical Nnotes of Medicinal Chemistry to the** undergraduate students (**clinical Pharmacy**, 5th and 6th level) in Faculty of Pharmacy, Beni-Suef University 2009-2011.
3. Teaching the theoretical course (**Medicinal Chemistry-1 and 2**) for the clinical pharmacy undergraduate students (**clinical pharmacy**, 5th and 6th level) in Faculty of Pharmacy, Beni-Suef University 2009-2011.
4. Participation in the practical and theoretical **drug design course** for the fourth year students (**clinical pharmacy**, 7th level 2010-2011).
5. Teaching the practical course of **Medicinal Chemistry II** to the undergraduate students (**Pharm.D program**,) in Faculty of Pharmacy, Umm Al-Qura University 2011-2012.
6. Teaching the theoretical course of **Medicinal Chemistry I** to the undergraduate students (**Pharm.D program**,) in Faculty of Pharmacy, Umm Al-Qura University 2011-2012.

Postgraduate Courses:

1. Teaching and supervising in Medicinal Chemistry for the **postgraduate students** in Faculty of Pharmacy, Beni-Suef University.
2. Undergraduate and postgraduate course specification.

E-learning

1. Creation of the medicinal chemistry course sites, and working with the ELS with high efficacy (**black board**)
2. Attendance in E-learning program workshop (**desire2learn**) in Umm Al-Qura University

Supervision & External Examiner

3. Oral examiner for undergraduate students in faculties of pharmacy (Beni-Suef, Nahda, Cairo & El-Menia Universities).
4. Supervising the summer training of undergraduate students at Faculty of Pharmacy, Beni-Suef University 2009-2011.

ADMINISTRATION WORK:

1. Participation in the committee for examination of scientific apparatus for the Medicinal Chemistry Department 2009-2011.
2. Participation in the committee for examination of laboratory chemicals and glassware for the Medicinal Chemistry Department.
3. Coordinator in the committee for laboratory chemicals and glassware in pharmaceutical Chemistry Department, faculty of pharmacy, Umm Al-Qura University (2011-2012).
4. Membership in the quality & evaluation committee in pharmaceutical Chemistry Department, faculty of pharmacy, Umm Al-Qura University (2011-2012).
5. Membership in the curriculum committee in pharmaceutical Chemistry Department, faculty of pharmacy, Umm Al-Qura University (2011-2012).
6. Participation in Performance Appraisal and Quality Assurance Unit, faculty of pharmacy, Beni-Suef University (2002-2003).
7. Coordinator of quality committee, pharmaceutical chemistry department, faculty of pharmacy, Umm Al-Qura University (2011-2012).
8. Coordinator of curriculum committee, pharmaceutical chemistry department, faculty of pharmacy, Umm Al-Qura University (2012-2013).
9. Coordinator of quality committee, B.Pharm. program, faculty of pharmacy, Umm Al-Qura University (2012).

Society Services:

1. Presentation of two lecture on "[medication errors](#)" in maternity & children's hospital, Mekka, KSA (2011-2012)
2. Participation & supervising the "[drug formulary index](#)" for maternity & children's hospital, Mekka, KSA (2012)
3. Presentation of one lecture "[drug-drug interaction](#)" in maternity & children's hospital, Mekka, KSA (2011-2012)

ACADEMIC SOCIETY MEMBERSHIP:

Member of the Syndicate of Pharmacists 2000 – till now.

AWARDS:

- ☒ Beni-Suef University, December 2010. Award for international publication, December 2010.
- ☒ Nahda University, Award for the best ELS effective course site, March 2011

SUPERVISION OF THESIS:

1. Supervising a Master thesis presented by the pharmacist/ *Fadwa Hammad* entitled "Synthesis of some pyrrolizine derivatives of anticipated anticancer activity.
2. Supervising a Master thesis presented by the pharmacist/ *Ahmed M. Safoate* entitled "Synthesis of some **pyrrolizine and indolizine** derivatives of anticipated biological activity".

TRAINING COURSES:

General courses:

- ☒ Training courses in computer (2009)
- ☒ English Toefl Test scores 536 (Foreign Language development and teaching center 2008)
- ☒ University Lecturer Preparative Courses (2009)
- ☒ Participation in Performance Appraisal and Quality Assurance Unit **work shop (2002-2003)**.
- ☒ Attendance & pass in development programs for the abilities of university staff & leaders (Beni-Suef University 2009)
- ☒ Development programs (Nahda University, Cairo, Egypt, 2010)

Training Courses in FLDP (2003-2008).

- ☒ Active communication skills program
- ☒ Ethics of university professions.
- ☒ Exams & student assessment methods
- ☒ Financial & law sides in university
- ☒ Research Time management
- ☒ Making decisions & problem solving program

Quality assurance & accreditation program

Credit hours program

E-learning courses:

Learning & Content Environment

Electronic Testing & Assessment Tools

Virtual Classroom 'Adobe'

Accreditation & Quality Assurance:

Programs & courses description

Programs & courses description

Reviewer, external evaluator:

1. Review & evaluation of two project proposal for Taif University (2011-2012)
2. Review of two original articles for Beni-Suef University Journal of Applied Sciences (2012)

List of Publication

1. El-Moghazy, S. M.; Mohamed, M. A. A; Farag, A. E. and Gouda, A. M., "Synthesis and antitumor activity of some 5*H*-pyrrolizine, pyrimido[5,4-*a*]pyrrolizine, pyrimido[4,5-*b*]pyrrolizine derivatives", *S.P.J.*, **17**, 3-18(2009).
2. Safinaz E. Abbas, Fadi M. Awadallah, Nashwa A. Ibrahim, Ahmed M. Gouda; "Novel substituted and fused pyrrolizine derivatives: Synthesis, anti-inflammatory and ulcerogenecity studies", *Eur. J. Med. Chem.* **45** (2010) 482–491
3. Safinaz E. Abbas, Fadi M. Awadallah, Nashwa A. Ibrahim, Ahmed M. Gouda; Design, Synthesis and Preliminary Evaluation of Some Novel [1,4]Diazepino[5,6-*b*]pyrrolizine and 6-(2-Oxopyrrolidino-1-yl)-1*H*-pyrrolizine Derivatives as Anticonvulsant Agents. *Med. Chem. Res.* **20** (2011) 1015-1023
4. Ahmed M. Gouda, Mohamed T. Alsaady, Basem A. Shehata." Design, Synthesis, In Silico Studies and Biological Evaluation of Some Novel Pyrrolizine Derivatives as Safe Antiinflammatory Agents" *International Conference on Advanced Basic and Applied Sciences*. Hurghada, Egypt 2012, November 6-9. Poster presentation.

5. Mohammed, A.K.A.; Meabed, M.H.; El.-Malah, W.M.; AbdelrahimM.E. and Goda, A.M. Comparison between the Effect of Sildenafil versus Nifedipine in the Treatment of Pulmonary Hypertention in Children, *British Journal of Pharmacology and Toxicology* 4(2): 51-55, 2013
6. Nafady, M.; Attallah, K.; Sayed, M. Aand Gouda A. Formulation and evaluation of a A buoyant Ranitidine hydrochloride system, *Int. J. Pharm. Sci. Rev. Res.* 24(2), 2004, 4-8
7. Gouda, A.M.; Abdelazeem, A.H.; Arafa, E.A. and Abdellatif, K.R., design, synthesis and pharmacological evaluation of novel pyrrolizine derivatives as potential anticancer, *Bioorg. Chem.* **53** (2014) 1.
8. Ahmed H. Abdelazeem, Ahmed M. Gouda, Hany A. Omar, Mai F. Tolba, Design, synthesis and biological evaluation of novel diphenylthiazole-based cyclooxygenase inhibitors as potential anticancer agents. *Bioorg. Chem.* 57 (2014) 132–141.
9. Ahmed H. Abdelazeem, Ahmed M. Gouda, Hany A. Omar, Mai F. Tolba: Synthesis and Anticancer Evaluation of Novel Thiazolidinone-Based Cyclooxygenase Inhibitors; The 8th Dubai International Conference for Medical Sciences; 16-17 December, 2014 - Al Bustan Rotana Hotel, Dubai, United Arab Emirates
10. Amany Belal, Ahmed M. Gouda, Ahmed Safwat, Nagwa Abd El-Gwad, [Synthesis of novel indolizine, diazepinoindolizine and pyrimido indolizine derivatives as potent and selective anticancer agents](#), *Research on Chemical Intermediates*, 41 (12), (2015), pp 9687-9701.
11. Ahmed M. Gouda, Ahmed H. Abdelazeem, Hany A. Omar: Design, Synthesis and Biological Evaluation of Novel Pyrrolizine Derivatives as Potential Apoptosis Inducer Anticancer. The 5th international conference of the division of pharmaceutical and drug industry (advances in pharmaceutical research); 29-30 March 2015, National research center, 33 Al Behous, Ad Doqi, Cairo, Egypt.
12. Waleed H AlMalki¹, Ahmed M Gouda^{1, 2}, Mohamed A Mohamed^{1, 3} and Hamed I Ali, design, Synthesis and biological evaluation of novel pyrrolizine derivatives as safe anti-inflammatory agents, poster presentation, [European Pharma Congress, August 25-27, 2015 Valencia, Spain](#), DOI: 10.4172/2376-0419.S1.006.
13. [Design, Synthesis, and Biological Evaluation of Some Novel Pyrrolizine Derivatives as COX Inhibitors with Anti-inflammatory/Analgesic Activities and Low Ulcerogenic Liability](#), *Molecules* 2016, 21(2), 201; doi:10.3390/molecules21020201.
